# Business Listings

## A-Z listing of local businesses and services.

Information listed within the A-Z section **has been supplied by each Communication Provider** (service provider) and is published based on their directory status. If the business has been flagged as **Ex-Directory** it **will not be printed**. The Phone Book will only print information that **has been provided**. If you believe there is an omission or an error, please contact your Communication Provider to check the directory status of the information. The Phone Book only guarantees to print paid listings. For a more comprehensive Business A-Z, a supplemental PDF is available upon request. To order a copy please visit [www.thephonebook.bt.com](http://www.thephonebook.bt.com)
