

# Digital Voice Adapter

The Digital Voice Adapter gives customers the freedom to keep using their existing home phones all around the house, when their home phone service moves to Digital Voice.

## Easy to set up

Link the Adapter to your Smart Hub 2 and just plug your existing phone line cord into the top and you're ready.

## Plug in anywhere

You have great freedom with the Digital Voice Adapter, as once you've linked it to your Smart Hub 2, you can plug your phone in anywhere around the house where you have a power socket.

## Main features

- Simple push-button connection set-up with Smart Hub 2
- LED to show you what's happening
